## HEIDELBERG CATECHISM LORD'S DAY 8

Q&A 24 How are these articles (The Apostle's Creed) divided?

Into three parts:

God the Father and our creation;  
God the Son and our deliverance;  
God the Holy Spirit and our sanctification.

Q&A 25 Since there is but one God, why do you speak of three: Father, Son, and Holy Spirit?

Because that is how  
God has revealed Himself in His Word:  
these three distinct persons  
are one, true, eternal God.

## Questions for the week

1. *Why is conflict so prevalent amongst us? What impact does conflict have in the life of a believer? How about our ability to witness to others?*
2. *What is the most difficult aspect about going to someone who has wronged you? Is it always required, or do some problems just work themselves out over time if left alone?*
3. *Does the Bible support particular methods of resolving conflict, or is one method as good as another as long as it works? Read and consider Matthew 18:15-17 regarding conflict amongst believers.*
4. *If conflict is something to be resolved, is it something that we should altogether avoid? What is the danger of avoiding hard conversations out of fear of conflict? How do we navigate this faithfully?*
